

# Weekly Warrior Weekly Warrior

Happy Tuesday!

I guess we are just not done with the snow! I will once again wait until we are "really" done before we start posting end of the year dates/events.

## Important Dates

April 9: PSSA Testing begins for grades 3-8

April 23: School Board Meeting, 6PM

April 25: Warrior Night, 6PM

A few reminders as we approach the PSSA testing week (April 9th): sleep is necessary! Bedtimes need to be adhered to so that our students are ready for a change to their daily, school schedule. A good breakfast and being on time for school helps as well.

Each teacher (in the testing grades, 3-8) will be including information in his/her newsletter that is specific to his/her class.

We have a Warrior Night on the 25th at 6:00 p.m. First and Second grade will be showing us "what they know". Please join us for the night; the little folks are always so adorable and work so hard to be well-prepared for you.

I appreciate your attention to my recent email blasts. I appreciate your willingness to work with us as we navigate this week and beyond. I will continue to keep you informed as to any changes or updates we are making. For now, our goal is to stay focused on our day to day routines, offering help when needed, getting ready for the PSSA's and planning for an early and warm Spring.

I hope you have had a relaxing few days off!

# *Thank You*

Fell Charter Staff, Students, Parents and Community,

Words can't even begin to express how thankful Adelyn, my husband, and I are to all of you for coming together and helping to raise money on behalf of Adelyn to benefit such a wonderful charity.

When I was first contacted about this I was in tears and continued to be in tears because of how amazing you all are. From the bottom of our hearts we thank you. I am so grateful to have been able to work and be a part of a group of staff, students and families who are so kind hearted and caring and for that I am truly lucky!

Thank you all again! As I said before, words will never be able to express how thankful we are to all of you and we promise to pay this forward!

Thank you! Love you all my FCS Family!

Love,  
Jeremy, Joanna and Adelyn Walsh

## Carbondale Area

Pictured are two members of the Physics Club who built bridges that they entered in the Northeast Bridge-Builder's Contest, which was held at the SteamTown Marketplace on Saturday, February 24, 2018. The students are seniors, Cordell Siggins (left) and Ashlynn Allison and their moderator is Mr. Joseph Borosky.

When asked what he thought of the contest, senior Cordell Siggins said, "It was an immensely beneficial opportunity as I was able to see a large group of students interested in an area that pertained to my strengths. I highly recommend participating if given the option."

## SMILE OF THE WEEK

### Katie Talarico

**Hometown:** South Canaan

**Job:** music teacher at Fell Charter School

**Family:** husband Jeremy, daughters Kelly and Maggie

**Pets:** a dog named Buddy, cats named Carl and Isabelle

**Graduate of:** Kutztown University

**Hobbies:** reading, singing, traveling

**Interesting fact:** Katie has won concert tickets, an autographed guitar, and a cruise in karaoke competitions!

**What makes you smile?:** "Snuggles from my kids!"

# Arts Alive 2018

BALLET THEATRE OF SCRANTON

## VISUAL ARTS

GRADES 5 - 12

9:00 - 2:00 • MONDAY - FRIDAY  
(BREAKFAST & LUNCH INCLUDED)

**July 16 - 27, 2018**

EVERHART MUSEUM

### Music, Movement, Heart

This four week Musical Theatre Program immerses students into the musical theater genre. Arts Alive provides students a safe and supportive atmosphere in which they will experience fun yet highly rigorous training by professional theater artists. The program culminates in a musical theater presentation developed by the students in collaboration with their instructors.

### Light, Form, Function

This two week visual program will incorporate art, engineering, science and technology into an intensive master class. Students will integrate wearable technology into sculptural costumes/installations while learning about the elements and principles of design. Working both independently and collaboratively, students will create multimedia works of art. Senior citizens are invited to participate in the program as part of the intergenerational focus.

Arts Alive places students side by side with professional artists. Our faculty of visual and performing artists and scientists/engineers teach and mentor students with the skills the professionals have mastered. Arts Alive is proudly celebrating our 20th year and we are confident this will be our best summer ever!

For more information and to apply online visit [alienpa.org](http://alienpa.org).

## Our Mission

The mission of Fell Charter School is to enhance the educational vision of all students, parents, educators, and community followers by offering a classical education with the latest technology. One of only two charter schools in Northeast Pennsylvania, we provide new opportunities, such as learning through hands-on experience, in addition to “book knowledge.” Innovative techniques using computer technology and adaptive software, along with the traditional “blackboard learning” further strengthens our student’s knowledge base.

## Belief Statement

We believe that each student and faculty member has a gift to offer the world of education.

We believe that smaller class sizes and an overall smaller campus ensure personal attention to students as well as a safer learning environment for our school community.

We believe we enhance the gifts of our students and teachers and create a research-based environment that is rich in innovation, creativity, and a passion for learning.

We believe that parental/guardian support is crucial to the success attained in each child’s performance. Therefore parents/guardians are welcome and expected to have an active role in their child’s education.
